DETAILED ACTION

1. This action is in response to applicant's amendment received on May 14, 2007.
2. Applicant's cancellation of claims 1-12 and 15 is acknowledged.

REASONS FOR ALLOWANCE

3. The following is an examiner's statement of reasons for allowance:

A closing cone for screwing closures onto containers, comprising, among other things: a spring system holds at least one ball in an opening formed in at least one of the moveable and wherein a portion of the ball extends into the inner diameter of the pick ring (as in claim 13); the actuation system includes a resetting device that moves the pick ring relative to the receiving part to open the cone-taper coupling (as in claim 25); a screw held by the receiving part, a portion of the screw extends toward one of the moveable segments and a portion of the screw is accessible from and exterior of the receiving part, wherein the screw can be selectively adjusted to limit a degree of closure of the cone-tape coupling (as in claim 29); and a friction ring disposed between the pick ring and the receiving part and operable to exert a torque force on the closure (as in claim 30). The combination as set forth in the claims are not disclosed, taught, or suggested in the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
